“...friendly,

Testimonials: Natalie & Chris

“We were fortunate enough to have Sarah as our wedding photographer in February at Newton Hall! Sarah was friendly, professional, and creative in her approach, and the end result was fabulous wedding photos!”

“We’re a couple that would normally avoid having our photo taken but Sarah really made us feel comfortable and did a pre-wedding shoot with us on the beautiful Northumberland coast as part of our package! Sarah’s pricing is competitive and worth every penny, would highly recommend!”

“...We were thrilled with the outcome of the photos...”

Testimonials: Steve & Jenny

“My husband and I booked Sarah Deane for our wedding in August. We were very happy with everything about the service that Sarah offered us. She understood what we were looking for, she was great at communicating with everyone at the wedding, and we were thrilled with the outcome of the photos.”

It felt like Sarah went the extra mile for us. Sarah was professional, personable and made everything very easy for us. She is a pleasure to work with and I would definitely recommend her to anyone (in fact I already have for a friend's wedding next year).”

“...Everyone was so impressed...”

Testimonials: Nikki & Jez

“Thank you so much for all you did for our wedding. I doubt with all that rain it was your easiest shoot to date (!) but the photos are absolutely stunning- we couldn't be more delighted. You were an absolute hero on the day- Everyone was so impressed.

Above all you were an absolute joy to work with- we've never felt so at ease in front of a camera- a massive compliment to you! Thank you so much for being so lovely.”

“...Unobtrusive
& captured all
the important
moments...”

Testimonials: Jessica & Steve

“Sarah photographed our wedding in the Scottish Borders in September. As anyone planning a wedding knows, it's stressful! But Sarah was a joy to work with, both in the run up and on the day. I was so glad that she was around.

On the day itself, she was unobtrusive and managed to capture all the important moments. And the photographs themselves are beautiful. Not too formal, a mixture of styles and perfectly executed. I would thoroughly recommend Sarah Deane Photography.”

"...(Sarah) has done it all with a sense of humour & happiness..."

Testimonials: Penny and Dan

"We had been to see a couple of photographers who didn't really fill us with any great confidence of being 'normal' people (!) - then we met Sarah and within 5 minutes we knew she was the right person for us. Sarah is fun, happy and very good at getting natural shots. We really didn't want an afternoon of formal photography and Sarah managed to not only do this but also manage the expectations of the 'oldies' that they could still get those treasured 'formal' photos from the big day without taking up mountains of time queuing and ordering different groups for shots.

Our photos are absolutely great - Sarah fitted in perfectly with our day and interacted brilliantly with our friends and family to ensure the pictures were amazing. Throughout the whole process (pre, during and post wedding) Sarah has been in contact when we need her, has been punctual when we meet and has done it all with a sense of humour and happiness that made the whole experience nowhere near as daunting as we thought it might be!

Many of our friends and family keep commenting on how good the photos are and most still remember Sarah's name - I think that says it all."

“...(Sarah) was perfect,
as were the photos
she produced...”

Testimonials: Eve & Carl

“Sarah was our photographer for our wedding this September. We could not have asked for a better photographer both before, during and after our wedding. She was perfect, as were the photos she produced. She captured the day just like we wanted. We could not have been happier!”
